Spokane Native

I have lived in Spokane all of my life and have extensive knowledge about this city and what it has to offer. Whether you are new to the area, or just moving across town, I can help you find a home in a neighborhood that is best for your needs.

Buyer Bonuses

As a sales associate with Windermere, I have a number of programs which benefit your real estate needs. Including, our Bridge Loan Program which lets you buy real estate when you find it, before your current home sells.

My Goal

My goal is to ensure that my clients have an exceptional real estate experience. I provide a level of customer service that hopefully will compel my clients to refer their friends and family to me for their real estate needs. Customer Satisfaction is my mission.

Dedicated to Our Community

Every time I sell a home a portion of my commission goes to the Windermere Foundation, a non-profit organization, which benefits homeless families in Spokane and throughout the Northwest.
